

RDMS Clinic Sonographer

Reports to: Medical Services Manager

Hourly Requirements: Part time

At the Center for Pregnancy Choices Metro Area, every team member is expected to demonstrate an unwavering commitment to the pro-life cause. Our staff fully embraces the ethical and moral standards outlined in the CPC's Statements of Faith and Principle, Core Values, Code of Conduct, and our mission: To Empower the Choice for Life.

We seek individuals who are not only aligned with our vision but are also innovative, detail-oriented, and collaborative in spirit. As an organization committed to making abortion unnecessary and unwanted in our state, we recognize that achieving this goal requires a deep level of sacrifice, flexibility, and passion. Staff should anticipate some evening and weekend work as part of our call to serve.

We value a solution-driven mindset and expect our team to be diligent, industrious, and resourceful – maximizing the generous support entrusted to us by our community. This work demands both heart and excellence as we pursue life-affirming impact together.

Objective: The Registered Diagnostic Medical Sonographer (RDMS) provides limited obstetric ultrasounds to pregnant patients on behalf of the Center for Pregnancy Choices Metro (CPC). This individual will work with Registered Nurses, Patient Advocates and other members of the medical team to ensure that each patient is provided with care, compassion, confidentiality, integrity, and excellence to help fulfill CPC's mission to save lives, spare hearts, and spread the gospel of Jesus Christ.

Minimum Qualifications

- ARDMS certification
- OB/GYN registered by ARDMS
- BLS Certification
- Exhibit strong written and oral communication skills
- Demonstrate the ability to manage multiple projects, priorities, and deadlines simultaneously
- Have the ability to excel in a fast-paced, changing, and challenging environment
- Be proficient in Microsoft Office products
- Maintain all certifications and registries for an RDMS and maintain BLS certification.

RDMS Functions

- Performs clinical assessments and limited obstetric ultrasound in accordance with CPC policies and procedures
- Work closely with the clinic staff to effectively carry out patient services
- Have excellent organizational skills and a non-judgmental attitude
- Perform other duties as assigned, dependent on organizational needs and employee skills services such as pregnancy tests, providing medical information as appropriate, and dispensing prenatal vitamins.
- Ensures job skills are being carried out with excellence and integrity, according to the annually reviewed medical policies and procedures based on AWHONN, AIUM and NIFLA guidelines
- Assist with annual competencies for RNs with limited OB Ultrasound training

Additional Responsibilities

- Attend trainings, volunteer, and attend staff meetings, as required
- Look for teachable moments to share the love of Jesus and His plan of salvation
- Remain up to date on patient services offered by Cline Center, such as peer counseling, practical help, prevention education, spiritual guidance, and post abortion recovery counseling
- Maintain an awareness and understanding of current events, relevant laws, and issues as they relate to or affect the mission, vision, and values of the CPC
- Consult with the supervisor to relay needs, opportunities, and overall progress of the Center
- Serve on events team, as needed, for any CPC or Cline events

Spiritual and Personal Expectations

Team members at the Center for Pregnancy Choices are expected to:

- Uphold CPC's policies and procedures with integrity and consistency
- Demonstrate dependability, stability, and a clear commitment to the responsibilities of the position
- Support the religious mission of CPC and actively encourage the spiritual growth of both staff and clients
- Express a genuine desire to reach and support at-risk patients considering abortion
- Affirm the humanity of the unborn child in conversations with patients, guests, staff, and the community
- Share the gospel of Jesus Christ and pray with patients and supporters, as appropriate and led
- Lead or participate in team prayer and devotional times as opportunities arise
- Maintain a personal, vital, and growing relationship with Jesus Christ
- Be an active, committed member of a local, gospel-preaching church
- Believe in the sanctity of all human life, from conception to natural death
- Exhibit strong interpersonal skills and spiritual maturity – taking initiative and embracing servant leadership
- Be self-motivated and well-ordered in both personal and professional life
- Demonstrate a warm, gentle, and hospitable spirit to the CPC family, including staff, supporters, and clients
